# FRAC's Tips for Lobbying Visits

---

## Weeks Before Your Visit:

- ✓ **Call ahead** to schedule an appointment with your Member or the Congressional Aide assigned to work on your specific issue. Requests to meet with Members may need to be faxed. All information can be found through [www.house.gov](http://www.house.gov) and [www.senate.gov](http://www.senate.gov). The Capitol switchboard is (202) 224-3121.
- ✓ **Know some background info on your Member.**
  - Do some research: look up their biographical information, resume, congressional committee assignments, etc.
  - Study his or her voting record on past issues.
- ✓ **Prepare a concise one-page fact sheet to leave behind.** The fact sheet should be simple and to the point. You can include any of the following suggestions:
  - Descriptions of the problems you want solved and specifically what actions you want the elected official to take to solve them.
  - Information about your organization.
  - Local press clippings.
  - Photographs and easy to understand charts and graphs that make your point. If you have been unable to get your Member to visit your agency, prepare a scrapbook or photo album that captures the services you provide. Pictures of happy children and families consuming nutritious foods usually do the trick! Don't be surprised if it lands on his or her coffee table!
- ✓ **Research any opposing views and how to negate their talking points.**
  - Know how to respectfully counter an argument that doesn't agree with your position.
  - Back up your position with facts, not morally or emotionally charged arguments.

## Right Before Your Visit:

- ✓ **Keep in mind the purpose of your visit and be organized.**
- ✓ **Choose one person to serve as a facilitator for the meeting.**
  - This person will make introductory remarks and ask members of the group to introduce themselves.
- ✓ **Be on time.**
- ✓ **Be patient.**
  - It is not uncommon for your legislator and aides to be late because of a hearing, committee meeting, voting session, etc.

## During Your Visit:

- ✓ **Determine the amount of time the group will have with the Member and/or Aide.**
- ✓ **Introduce all members of the group.**
  - Unless you're an extremely large group, be sure every person has something to say.
- ✓ **Stay on topic.**
  - Keep presentation simple and straightforward.
  - Present your issues briefly and persuasively.
- ✓ **Emphasize the District/State.**
  - Talk about local examples and the local impact on your community.
  - Tell a story about how the issue will affect your district, business, the people you serve -- your community.
- ✓ **Be Specific.**
  - Have the specific bill/proposal, bill or bill number with you that you want to discuss.
  - "The Ask" - Be specific about what you want your legislator to do (e.g., Sign letter to the President, cosponsor legislation, vote against or support a bill/proposal).
  - Make sure the legislator knows your future plans and what you want from him or her.

## After Your Visit:

- ✓ **Have a follow-up plan to monitor progress and build a relationship.**
  - Send a thank you letter for the meeting.
  - Send any relevant information requested during the meeting.
  - Add your Member to your mailing lists for newsletters, invitations to local events, etc.
  - Invite your Member to visit your agency or tour your facility.
  - Keep in touch with the Member and their staff with any important developments.

## General Do's and Don'ts of Lobbying

Do	Don't
1. Tell them you're a constituent	1. Make long speeches
2. Demonstrate your significant community based support	2. Ignore the staff- they have lots of knowledge and influence
3. Be brief and listen respectfully	3. Don't be afraid to say "I don't know," tell them you can find out and will get back to them.
4. Find common ground	4. Be partisan or argumentative
5. Focus on specific issues, not vague goals	5. Forget to follow-up after the meeting
6. Keep the long-term perspective	6. Forget "The Ask" during the meeting
7. Tailor your remarks and presentation to the time allotted	7. Forget to thank the Member/Aide for their time, even if they don't agree with your position – there's always a next time!

## Emailing Hill Staff:

Email addresses of House and Senate staff usually\* follow the format below:

**House staff** – First name[dot]last name[at]mail[dot]house[dot]gov  
(e.g., Jane.Doe@mail.house.gov).

**Senate staff** – First name[underscore]last name[at]Senator's last name[dot]senate[dot]gov  
(e.g., Jane\_Doe@Lugar.senate.gov).

\*Sometimes staff to the committees use a slightly different format with the name of the committee in the email address (e.g., Jane\_Doe@agriculture.senate.gov).
