

THE WIC PROGRAM: Improving Maternal and Child Health and Food Security in VIRGINIA

The Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) provides pregnant, postpartum, and breastfeeding individuals, infants, and children up to 5 years of age from households with low incomes with nutritious foods, nutrition education and counseling, breastfeeding support, and referrals to health care and social services.

ACTION IS NEEDED TO KEEP WIC STRONG AND TO CONNECT MORE ELIGIBLE PEOPLE TO THE PROGRAM.

TAKE ACTION TO PROTECT WIC

Call on Congress to provide WIC with enough funding each year to serve all eligible people and maintain the prescriptive benefits and services.

Urge your Members of Congress to pass the **MODERN WIC Act/21st Century WIC Act**, which would make flexible service options permanent.
