SUMMARY OF HOW STATE COLLECTED NAMES FOR ISSUANCE: Delaware will receive student information from the school districts. Schools will submit their final attendance records for the school year in June and July, any schools that have children eligible for free and reduced meals but may have attended school full-time and did not receive P-EBT previously.

SUMMARY OF HOW THE STATE IDENTIFIED NEWLY ELIGIBLE STUDENTS: Any application received and approved after the end of the school year, and on or before September 3, 2021, the end of the covered summer period, will qualify for Summer 2021 P-EBT.

SUMMARY OF HOW STATE COLLECTED NAMES FOR CHILDREN UNDER 6: Delaware will identify SNAP children who received P-EBT child care benefits through the June monthly benefit issuance data. In the beginning of July, a report will be run to identify all SNAP children under 6 who received or were determined newly eligible for P-EBT in June. A second report will be run for July and August to identify the newly eligible child under 6 Summer P-EBT children.

SUMMARY OF COMMUNICATIONS AND OUTREACH PLAN FOR SUMMER 2021: See School Year Communications and Outreach Summary.

SUMMARY OF DISPUTE RESOLUTION PROCESS: Delaware has an established customer service number (hotline) to resolve all inquiries, disputes, and discrepancies that are reported. The state also works closely with the Department of Education (DOE) when issues involve eligibility issues. Disputes over amount of benefits can be addressed with schools, and the schools will have an opportunity to correct previous monthly issuances at next monthly issuance cycle.

DATE TO START ISSUING BENEFITS: July 31, 2021
